A NEW THING.

NOTHING IS SO MUCH TO BE DESIRED AS PERFECT SIGHT, AND PERFECT sight can only be obtained by using perfect Spectacles. The Combination Spectacles improve, strengthan and preserve the sight, on account of the parity of the material of which they are made. They cause no digginess or wavering the sight, on account of the easy to the eye, and from the construction of the frames are more durable than others. They of sight; are brilliant and easy to the eye, and from the construction of the frames are more durable than others. They are set with fine French Periscopic Lenses, with the focus or cone so adjusted as to come directly in front of the pupil of the eye, thereby giving the Best Possible Effect from an artificial help.

The Eyes are fested and fitted with Speciacles by a new system, which has been approved by the leading opticions of the United States, and is the only practical system, based on scientific principles now in use.

noted the world over for their unrivaled salubrity of climate. Certain localities in the group are espec-ially favored in this way.—The District of Kons, on ially favored in this way.—The District of Rona, on the lectward side of Hawali, has long been famed as a place of resort for invalids with bronchital, or lung diseases. With its pure and mild atmosphere, with its absolute freedom from storms or high winds, with its porous soil which, with all fis rich vegetation, retains no dampness and yields no malaria, and with an unvarying temperature—that of the American or Southern European June—ALI. THE YEAR ROUND, the climate of Kona is one of the hesithiest and most luxurious on the globe. The undersigned, at his house at Kaawaloa, a house une-

qualed in the district for size, cleanliness, commodiousness, and thoroughness of farnishing, is prepared to give boarders excellent rooms and all obtainable comforts in the way of diet.

THERE ARE FRESH WATER BATHS on the premises, and fine see bathing within a short distance.
The steamer Kliauca and the schooners Ullama and Prince, van
regularly between Honolulu and the Kaawaloa landing.
The undersigned employs no agents nor runners. His house
speaks for itself upon inspection.
